

Sunday 25<sup>th</sup> July

“God is love. Whoever lives in love lives in God, and God in him.” 1 John

**Home Groups** meet this week for the last time before the summer holidays. If you haven't made it to a home group yet, plan to come along in September to one of our four groups (two daytime and two on Wednesday evening.)

**Malc** is leading two workshops this coming week on Monday and Wednesday mornings for Linx Christian Youth Trust. This is as part of their week long mission to teenagers in the bay.

“**GO**” **Sundays** have been and gone. What did you think? This was something that we thought about doing and have now done it. It would be good to know your thoughts and feelings on them. What lessons can we learn, what could we do differently, should we do them again? It's good to ask questions after doing something new, write down your thoughts or send them via email, we'd love to hear from you. (From the Outreach Team)

**Wednesdays in August** At the moment we only have one venue for our Wednesday evenings in August. If you would like to host an open house between 7pm and 9pm on any of the available dates please let Jane know ASAP. Thanks.

**Summer** - so much stops during August. Rather than losing touch, use the extra time to invite someone around for coffee or a meal. Keep in touch, give someone a call to see how they are. Offer to help one another out if you know someone has a lot on their plate. Even though it's important that we “GO” into the community it's vital that we care for one another. Remember the **One Another's!**

**Pray for;**

**Dan S** in Canada had a bad accident a week ago and is now unable to ride or finish his course, pray for healing, guidance and joy.

**Viv** as she recovers from her second cataract operation.

**Shelley**-as she continues to adapt to life in her new flat and the various bits of trouble shooting that are required at the moment!

**Keith and Maggie** for health and strength for both of them and pray for Maggie particularly after knocking her head badly last week.

**RDAC** is quiet at the moment pray that we know God's will for this important ministry

## Calling all Men!

Christian Vision for Men are holding a regional day in Exeter on Saturday 9th October. I am told this will be an excellent day and its on our doorstep.

The plan is that we go as a group to this event. We will have to book tickets in advance so check your diaries and keep the day free.

We'll travel over together, taking as many cars as we need (it's good to be green).

If you would like to find out a little more about the day pick up one of the fliers on the table in the coffee area or look at the CVM website.

*For his study / reading week this year Malc will be away from the 1st - 7th Aug. at New Wine. This is a Christian family conference focussing on worship and teaching. As a family this gives us an opportunity to receive from God and focus on Him, although there are nearly 15,000 people on site, we manage to find times of quiet and intimacy.*
